

## Computer Science 2010 Spring Class Schedule

10/20/09

**CS110** Computer Science and the Internet  
**CS111** Computer Programming and Problem Solving  
**CS112** Computation for the Sciences  
**CS215** Multimedia Design and Programming  
**CS220** Human Computer Interaction  
**CS230** Data Structures

**CS231** Fundamental Algorithms  
**CS251** Theory of Programming Languages  
**CS304** Databases with Web Interfaces  
**CS313** Computational Biology  
**CS349B** Advanced Topics: Games

| Time           | Monday                                | Tuesday   | Wednesday                                       | Thursday                              | Friday                            |
|----------------|---------------------------------------|---|---|---------------------------------------|-----------------------------------|
| 8:30-9:40 AM   | CS231 01 Shull                        | CS110 D01 Kakavouli - E101                                      |   | CS231 01 Shull                        |                                   |
| 8:30-10:20 am  |                                       | CS112 L01 Lee - S160A   | CS111 L01 Lee-E101<br>CS230 L01 Kakavouli-S160A |                                       |                                   |
| 9:50-11:00 AM  | CS110 01 Anderson<br>CS215 01 Metaxas | CS111 01 Shaer<br>CS110 D02 Kakavouli - E101<br>CS 251 01 Shull | CS 251 01 Shull                                 | CS110 01 Anderson<br>CS215 01 Metaxas | CS111 01 Shaer<br>CS 251 01 Shull |
| 10:30-12:20 pm |                                       |   | CS111 L02 Lee-E101<br>CS230 L02 Kakavouli-S160A |                                       |                                   |
| 11:10-12:20 pm | CS110 02 Turbak<br>CS220 01 Shaer     | CS110 D03 Kakavouli-E101<br>CS111 02 Tjaden<br>CS349B 01 Gold   | CS220 D01 Shaer                                 | CS110 02 Turbak<br>CS220 01 Shaer     | CS111 02 Tjaden<br>CS349B 01 Gold |
| 12:30-1:20PM   |                                       |   | Community Time<br>12:30-2:15 pm                 |                                       |                                   |
| 1:30-2:40PM    | CS112 01 Hildreth                     | CS110 D04 Herbst-E101   |   | CS112 01 Hildreth                     |                                   |
| 1:30-3:20 pm   |                                       | CS112 L02 Lee - S160A   |   |                                       |                                   |
| 2:15-3:25 pm   |                                       |   | CS215 L01 Herbst-S160A                          |                                       |                                   |
| 2:15-4:05 pm   |                                       |   | CS111 L03 Lee-E101                              |                                       |                                   |
| 2:50-4:00 pm   | CS313 01 Tjaden<br>CS230 01 Metaxas   | CS304 01 Anderson   |   | CS313 01 Tjaden<br>CS230 01 Metaxas   | CS304 01 Anderson                 |
| 4:15-6:00 pm   |                                       | Community Time  |   |                                       |                                   |
